Food Retail working hours If you've worked in retail before, it'll come as no surprise to hear that you'll be working around 40 hours a week, often in shift patterns which can be on both weekdays and weekends. Depending on the store's opening hours, expect to work the occasional early morning or late night too.

Food Retail job description | TotalJobs

Retail isn't as flexible as it seems. Flexibility in working hours is one of the most important reasons that people give for choosing to work in retail. But the problem is, this flexibility is often confined to sales assistants and support staff; when it comes to store management, flexible options are thin on the ground.
