Made in China 2025 is a national strategic plan to further develop the manufacturing sector of the People's Republic of China, issued by Premier Li Keqiang and his cabinet in May 2015. As part of the Thirteenth and Fourteenth five-year plans, China aims to move away from being the "world's factory"—a producer of cheap low-tech goods facilitated by lower labour costs and supply chain advantages. The plan aims to upgrade the manufacturing capabilities of Chinese industries, growing from ...
