NFER was previously part of NFER Nelson, a test publisher, which sold 11+ tests. In 2000, NFER-Nelson was sold to Granada Learning and in 2007 its name was changed to GL Assessment. NFER has no current connection with 11+ practice papers sold by GL Assessment or Letts; GL-Assessment papers are used in most of the 164 UK Grammar Schools’ selective entrance exams as well as many of the Independent Schools entrance examinations. Until March 2010 GL Assessment papers were distributed by Letts ...

GL/NFER 11 Plus maths exam focus. These tests have been around for ages and are well known. They focus on a mix of problem solving and calculation questions that won't come as a surprise to a child who is doing well at Maths at school. GL 11 Plus Maths do not go beyond the syllabus but children may find questions on topics that they may not have covered yet because the exam comes early in year six and exam papers cover the whole KS2 syllabus.

~~GL/NFER 11 Plus Maths Exams~~

There are two sets of optional Maths papers available for children to use as practice papers. Because they are now a little adrift from the syllabus and the new format of KS2 tests they should not be used to mean anything definitive in terms of results. When these papers are used they should simply be seen as a good benchmark of progress.

Maths; Verbal reasoning; Non-verbal reasoning; There is no difference in the level or difficulty between packs of the same area. Each pack contains three question booklets, answer sheets and guidance for parents. Please note, however, 11+ tests vary from area to area. If you don’t know what type of tests your admissions authority uses, you may find it helpful to check their website or contact them direct.
